

## CUSTOMIZED PICTURE/PRICE TAGS

We can add customized hang-tags to your shipment! These tags include a photo of the plant, and can accommodate your company name and/or logo. Your retail price and a bar-code can also be included.

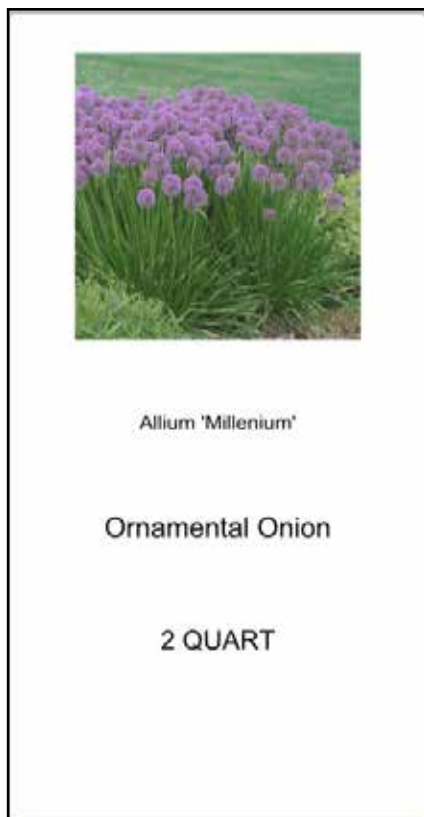

There is a one-time set up fee of \$60, and set up for this service must take place no later than **April 1st**. Please contact our sales office for details on the database format and other information that we will need for a successfully tagged shipment.

The price per tag is \$0.30/pot for a picture tag without any custom pricing or logos or \$0.35/pot for a customized tag with pricing information and/or a logo.

We do not label pots that are smaller than 1 quart.

All plants ordered must be in full tray intervals to qualify for this program.

The tags are approximately 2 ¼ inches wide by 4 ¼ inches tall.
